

# MPO *PLUS*<sup>®</sup> *EZ-WAY*<sup>®</sup>

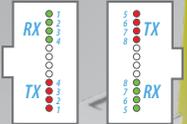

800G  
1.6TB

Tailored for  
Dual 800G  
Transceivers

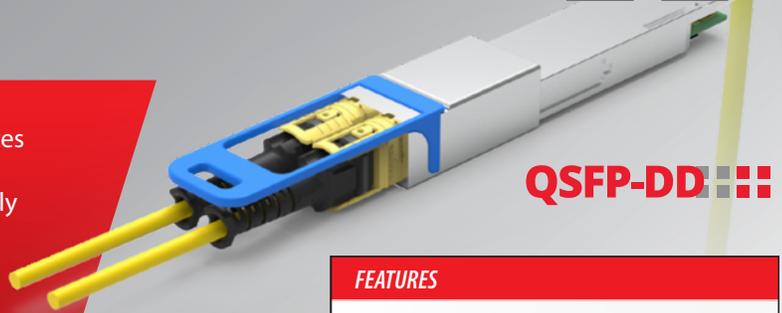

Dual MPO-12

DUAL MPO  
(DR4)

SENKO's integrated 'soft-spring' feature significantly enhances the ease of insertion and removal of MPO connectors from transceivers and adapters. This smooth spring action not only improves user-friendliness during the patching process but also prevents the generation of unnecessary plastic debris.

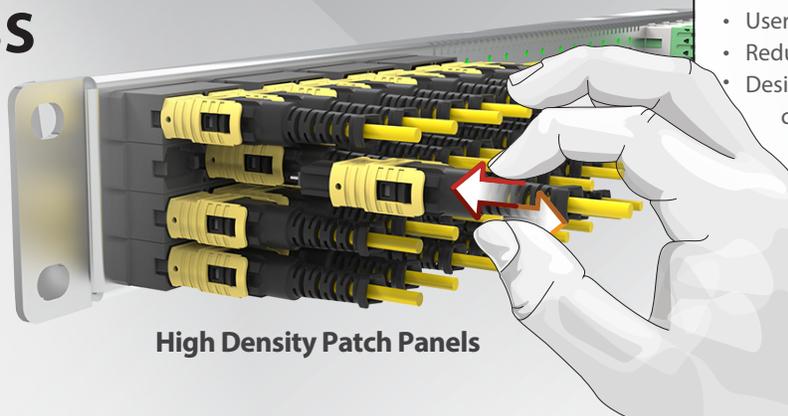

QSFP-DD

**FEATURES**

- Compatible with dual MPO transceivers
- Fortified soft spring design
- Industry leading IL 0.25dB
- User-friendly push-pull boot
- Reduced footprint for perfect fit
