

LC EZ-Flip

LC Switchable

LC-HD

Key Features	Easily change polarity	Ruggedized and accepts large cable outer diameters	Simplex, Duplex 900µm and for high density situations
Primary Applications	Data Center	FTTx	Data Center

FEATURES

Polarity Change	<input type="radio"/> without opening housing	<input type="radio"/> with opening housing	
Stackable	<input type="radio"/>		<input type="radio"/>
Push Pull Tab	<input type="radio"/>		<input type="radio"/>
Latch Lock		<input type="radio"/>	

CABLE TYPES

2mm Cable	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3mm Cable	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4mm Cable		<input type="radio"/>	
5mm, 5.5mm, 6mm Cable		<input type="radio"/>	

BOOT TYPES

Uniboot	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Duplex Boot			<input type="radio"/>
Simplex Boot			<input type="radio"/>
900µm for Behind the Wall			<input type="radio"/>
